Or, in the event of additional guests, the number participating the day of the party, whichever is greater.

Party at PAX

Party coaches will guide your guests through several stations of fun-filled gymnastic/ninja activities and games followed by an open gym time. The party then moves to the birthday party area for 30 minutes of cake, treats and birthday fun. The party area will be set up with paper products and tableware - all you have to do is bring a cake for the birthday boy/girl, individual desserts for your guests, drinks and party favors. A party facilitator will be with you for the duration of your party and will clean up at the conclusion of your event.

Once the party moves to the Birthday Party Area, the gym portion of the party is over and guests will not return to the gymnastics/ninja floor. PAX is equipped with tables abd benches and a refrigerator with freezer. Please be advised that you do not have exclusive rights to the entire gym. There may be private lessons or other classes going on at the same time.

Birthday parties are for children ages 3 and up. No one under the age of 3 is allowed to participate in the gymnastics/ninja portion of the party. All children will participate **without** a parent. **ADULTS ARE NOT ALLOWED ON THE FLOOR OR EQUIPMENT AT ANY TIME.**

PARTIES FOR 3 & 4 YEAR OLDS: Our Preschool Birthday Parties are handled different than for our school aged guests. Preschoolers will be brought to the floor for a fun group warm-up and gymnastics/ninja activities. Once the children understand how and where they can play, we open it up to an Open Gym.

Safety Rules

PAX Gymnastics **MUST** have a Single Event Waiver Form on file from each participant that is attending the party. The signed waiver will be held at PAX for the year in the event you return for another fun event. The Waiver Form can be found on our website.

All participants are expected to carry their own accident insurance. Parents are responsible for any medical bills incurred resulting from injury while at PAX Gymnastics.

ALL guests must stay with their group and follow the safety instructions of the party coach and/or other staff members.
